Assignment Details

Student Number	230024149
Surname	CELE
Name(s)	WANDILE
Assignment	2
Task (if applicable)	

Instructions

1. Using AI tools on this assignment is permitted and expected.
2. This form records what you used.
3. Your reasoning about that use belongs in your reflection document, not here.
4. Save this document as a PDF and upload it to the required Funda activity.
5. You will not be able to upload your submission for the assignment without submitting this document.
6. This declaration is not marked. It is a submission requirement, and an assignment submitted without it is incomplete.

Other (please specify below)				
Used AI to understand differences between Serializable and Parcelable, and to get implementation examples that I adapted for my Android app.				

Declaration

By signing this form, I confirm that:

1. The above information is a complete and accurate account of my AI tool use on this assignment.
2. The final submitted solution is my own work. Where AI-generated material informed my solution, I understood it, adapted it, and take responsibility for it.
3. I can explain the purpose and operation of every line of code I have submitted, and understand I may be asked to do so during the peer assessment and marking period.
4. I did not paste personal information, confidential material, or any third party's work into an AI tool.
5. I understand that a false or materially incomplete declaration is a breach of academic integrity, and that this applies regardless of the quality of the work submitted.

I hereby declare that I shall adhere to the requirements and rules outlined and referred to in the Assignment document as well as in the Plagiarism and Academic Dishonesty section of Nelson Mandela University's General Prospectus, and that I am aware that transgression of these rules will result in disciplinary action in accordance with the General Prospectus.
